Walk of Light

The Walk of Light is a prayer for light in times of darkness. In the shadow of the global pandemic, this year's theme is "In his name, the nations will put their hope." Groups of the faithful, assembled from our various congregations, will welcome the pilgrims at each church and then send them forth again. Our prayer together explores our hope as people of faith rooted in God, Creator of the universe. The three brief services – together with the walk itself – comprise a single liturgy. You are welcome to participate at one of the stational churches while a video of the entire service will be available on the 1st Sunday of Advent.
